

# Peckham Emotional Map

A map showing the emotional responses of the Year 4 John Donne Primary school children to Peckham High Street and Rye Lane. A blank is also attached for others to complete.

- **Our Hut** Peckham THI Resources

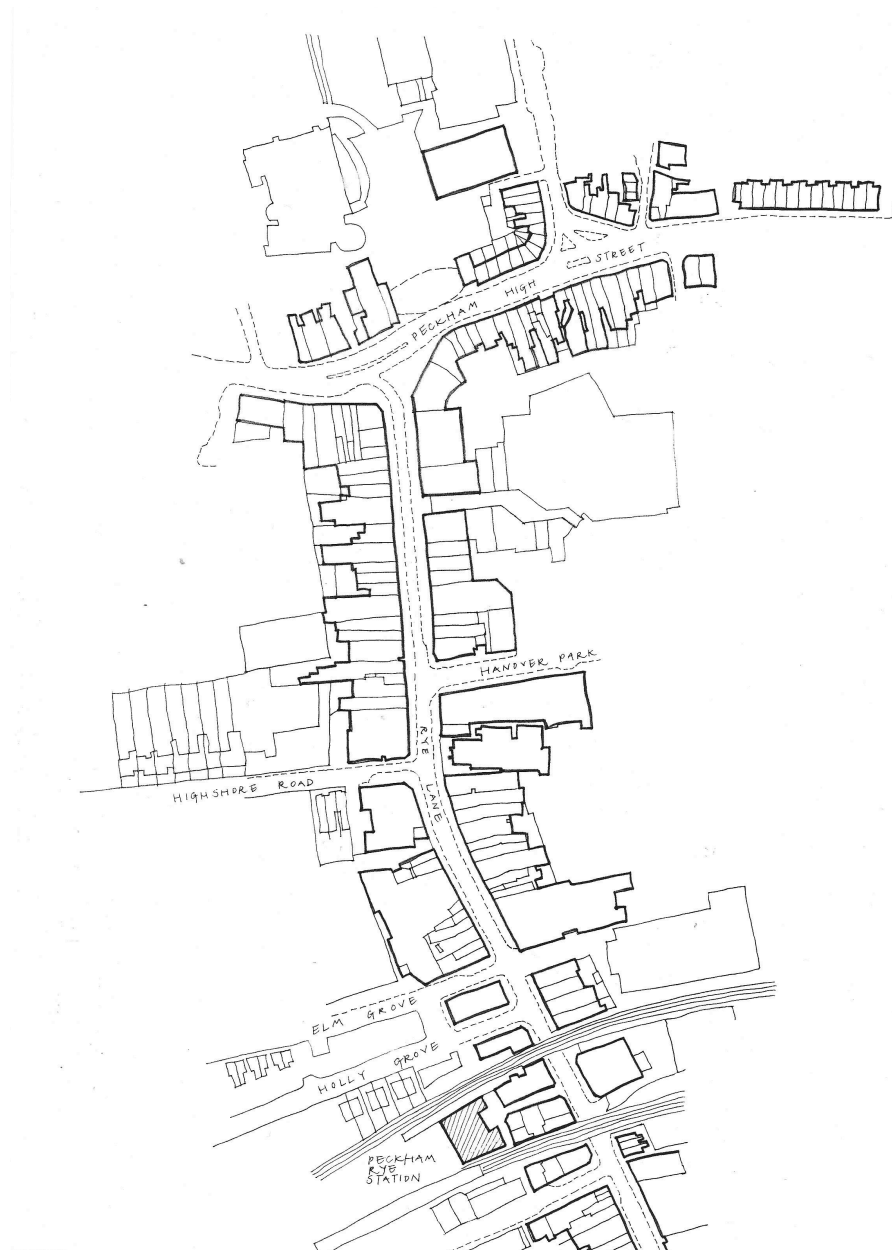

## Emotional Map

This is a simple map the children have been given on our walkabout to complete as defined by the key above.

Shard Terrace was too dangerous for the children to observe at length from the street so has been left blank.

The children are Year 4 and some found it hard to differentiate between the shops at ground level and the buildings above in terms of their analysis.
