

Peckham - Walkabout

The attached map indicates places where small groups can gather to look at the heritage of Peckham. A larger group can stand safely outside the new Peckham Library or back from Rye Lane on the grassy area of Holly Grove.

A risk assessment should be carried out prior to any visit and particular caution should be taken with regards to the Bike Route along Rye Lane which is not clearly visible particularly to children.

Peckham High Street is exceptionally noisy and this should be taken into account when leading a tour.
